Step 1: Green-Schools Committee

Step 3: Action Plan

Please upload your current Action Plan with quantifiable targets (eg. 10% increase in students walking to school) where applicable. Remember to include future targets/planned actions alongside present and past actions. A template for your action plan can be downloaded from the Resources section of the Green-Schools website.

Step 4: Monitoring and Evaluation

Step 5: Curriculum Links

Please give the ages/school years of students involved in curriculum work and information on the topic or subject areas addressed. You can find a template to upload your curriculum links information in the resources section on our website.
