

Climate Action Week

Climate Action Tracker

Thank you for taking part in Ireland's second ever Climate Action Week! It's all about opening up the conversation on climate change in some way, whether you explore climate science, organise a school event, encourage others to take action, or all 3 if you're really ambitious! We want to try and count all of the fantastic climate actions that our Green-Schools are taking, so we've put together this Climate Action Tracker and hope that you will send it back to us by **Friday 26th October!**

School Name: _____

School Address: _____

Green-Schools Coordinator Name: _____

Tick if applicable	Action	Number
<input type="checkbox"/>	How many Climate Action events or activities did your school run during Climate Action Week? (15 th -19 th October)	
<input type="checkbox"/>	How many students/teachers were involved in the set up or organisation of your school's Climate Action events/activities?	
<input type="checkbox"/>	How many people attended or were engaged in your school's Climate Action events/activities? (i.e. students, teachers, parents and other guests)	
<input type="checkbox"/>	How many people made a Climate Action pledge/promise at your events/activities	
<input type="checkbox"/>	How many Climate Communications did your school make before, during and after your Climate Action Day (i.e. school announcements, website/magazine, social media, local newspaper, radio station etc.)	
<input type="checkbox"/>	How many people were possibly reached by all of your Climate Communications added together? (i.e. how many people heard the announcement, readership of the magazine/newspaper, followers on social media or listenership on the radio station)
