

# Green-Schools Global Goals Book Club

Hello Everyone!

We hope that you are all keeping well during this strange time when you are at home instead of going to school!

Joanne and Birgit from the Global Citizenship team have been busy coming up with some ideas to try and help you keep learning about what it means to be a Global Citizen while you are learning from home and have some fun at the same time.

We decided that reading a book is always a good idea and thought it would be nice to set up our very own Green-Schools book club and we hope you will join us!

We have created a weeklong series of fun activities in relation to the book and we hope you will also be learning something new about the Global Goals. We will give you a new book to read every month.

We are very excited to start the Green-Schools Book club with the story of [the Lorax](#) by Dr. Seuss (ISBN 9780394823379) You can click on the link to have the story read to you on You Tube and then we hope you dive into the lovely activities we have created for every day this week. We hope you will have lots of fun! Enjoy !
