Can you find any Fairies in your 5km zone? Explore! Look for daisies, buttercups, bluebells and lots more...Sketch the flowers that you find.

Take a rest! Hunting for Fairies is hard work. Lie down and listen to the magical sounds that surround you. Shhhh, you might even hear a fairy flutter it's wings.... List what you hear?

If you didn't spot any fairies today, don't worry. Pick the prettiest flower you saw, and use your imagination to sketch a fairy for that flower.
