

# Water Quiz Sheet –

## 7 Steps for Water in Action

**GREEN-SCHOOLS**  
**STAY HOME - WATER**

'7 steps for Water in Action' is a short video developed in 2017 by Green-Schools to highlight what actions schools take while working on the water theme! (Recommended for Primary students)

7 Steps  
in Action

### Video:

<https://www.youtube.com/watch?v=u2uW1unwtEY>

### Instructions:

Watch the video (maybe twice) and give yourself the quiz or do it as a group at home or online with a school group.

Only go to page 4 when you're ready to correct the quiz answer sheet on page 3.

Little ones may need an adult's help (secretary) to read and write down answers for them.

## Questions

1. Who meets first thing in the morning to talk about Green-Schools?
2. What do they talk about in the morning?
3. What are they checking for leaks in the video?
4. What do they read to check how much water they use?
5. Who helps them to read how much water they use?
6. What do they put on the notice board?
7. What does the boy in the video, Sean, tell his class?
8. What do they do for their action day in the video?
9. What does Sean tell his family after a long day at school?
10. What animal is in the video with the family?

## Answer Sheet:
