

❄️ ❄️ Penguins, Pledges, and Climate Change!

1. First colour the shapes, then cut out the shapes.
2. Next, use tape or glue to attach the pieces to your toilet paper tube roll.
3. Then sign the pledge to help save penguins by reducing your CO2 and attach it to your penguin with string or ribbon.
4. Finally, take home your penguin and hang it in a place where you can be reminded of your pledge!
