

LITTER LESS HOME CHALLENGE

#3: ECO INTERVIEWS

You know how important it is not to litter, but do the adults in your life?! Interview 2 or 3 adults and ask them the questions below to find out what they knew about litter when they were young. Call your grandparents, ask your auntie or pester your parents!

Circle their responses from the options below or write them in. Are their answers different to your own?

Name: _____

Where did you live when you were a child? _____

City

Town

Village

Countryside

When were you in primary school?

1930S

1940S
