

**for the sake of  
the children**

**for the sake of  
our planet Earth**

**for expression of  
human values**

**because compassion  
requires it**

**because all  
flourishing is mutual**

# for national security

**to honour the rights  
of future generations  
of all species**

**because justice  
demands it**

**for survival of  
humankind**

**for the sake of all the  
life on the planet**

# stewarding God's creation

**for the love of the  
planet**

**to avoid massive  
violation of human  
rights**

**moral integrity  
requires to do so**
