Green-Schools Travel – Informing & Involving

Check out our Green-Schools Travel themed videos. There are videos to inspire learning through activities, projects, poetry etc.. and even some as gaeilge. You might like to share these with all class teachers for action days or to help raise awareness about your schools involvement in the theme. For further information and resources relating to the Green-Schools Travel programme, visit www.greenschoolsireland.org

Introducing the 7-Steps (general)

Learn about the '7 Steps' of the Green-Schools programme. Green-Schools, known internationally as 'Eco-Schools' is part of the largest education programme on planet earth, implemented in 68 countries worldwide. This video explains each of the steps in a child friendly way.
