PURPOSE

The Environmental Education Unit of An Taisce (EEU) is seeking an enthusiastic and motivated person to administer and deliver a range of workshops and activities to schools.

The EEU operates some of Ireland's largest and most successful environmental programmes and campaigns in partnership with different stakeholders including; public departments and agencies, private sponsors, schools and communities, with the aim of creating long term positive behaviour change among participants. Programmes include; Green-Schools, Clean Coasts, GLOBE and Neat Streets. The EEU also manages, administers and delivers SEAI's schools Energy Workshops programme on behalf of SEAI.

Participants in various programmes are typically supported with a range of training, resources, advice and guidance, through a series of workshops, events, visits, online support and correspondence. The EEU is recruiting for a dynamic individual who would enjoy the challenge of administering and delivering a range of workshops on energy, climate change and sustainability to a primary and secondary schools.

In addition to providing support and workshops to schools, the role will involve a significant amount of administrative work.

The post will be 32.75 hours per week, based in the Environmental Education Unit, 5a Swift's Alley, Dublin 8 and a degree of flexibility of working hours around evenings and weekends will be expected. Due to the nature of the role, access to a private car and a full clean driving licence are beneficial.

The post will be full-time for a period of 12 months, at which time the position will be reviewed in the context of funding and performance. There will be a probationary period of 3 months.
