

CLIMATE ACTION WEEK

11TH - 17TH
OCTOBER 2021

PLANNED EVENTS:

Join us for Ireland's 5th National Climate Action Week and kickstart your Green Flag application by hosting a Climate Action Day in your school. Whether you are exploring local weather data in Maths, creating a novel climate communication in English, Gaeilge or Art, or getting out to plant some trees for P.E. in your school community, we want to hear from you!

Contact Climate Action Officer Gráinne at caw@eeu.antaisce.org
Visit www.greenschoolsireland.org for free Climate Action Week resources and events.
