Action for Rivers Activity Sheet

Think about actions you can take to be a water protector and protect our rivers today and everyday! Work through the Action for Rivers activity and then move on to Take the Pledge. Get creative just like illustrator, Michaela Goade. Cut out all pieces and the glue the tabs to each half of the earth.

Make sure to hang it in a visible place as a reminder!

Earth Steward and Water Protector Pledge

I will do my best to honour Mother Earth and all its living beings, including the water and land. I will always remember to treat the Earth as I would like to be treated.

**I will treat . . .
the winged ones,
the crawling ones,
the four-legged,
the two-legged,
the plants,
trees,
rivers,
lakes
the Earth
with kindness and respect.**

I pledge to make this world a better place by being a steward of the Earth and a protector of the water.
