

Green-Schools Biodiversity Week 2022

Welcome to Day 2 of Biodiversity Week

@LEAFireland

#InvestigateWoodlands

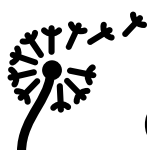

@GreenSchoolsIre

#BioWeek2022

Today our theme is: “Trees and Biodiversity”

Here are a few resources to explore more about trees:

Audience	Activity	Files
Junior Primary	Tree Leaf and Flying Insect Spotter Sheets Use these spotter sheets to help focus attention... <i>How many different living things can students spot, in and around the school grounds?</i>	Tree Leaf Spotter Sheet Flying Insect Spotter Sheet
Senior Primary	Plant Spotter Sheet & Leaf Spotter Sheet Use these spotter sheets to help focus observations, in the outdoors. <i>How many different species can students spot, in and around the school grounds?</i>	May Spotter Sheet Leaf Spotter Sheet Tree Worksheet
Secondary School	Tree Spotting Use the spotter sheet to help focus observations, in the outdoors. <i>How many different tree species can you find, in and around the school grounds?</i> How Old are the Trees on your Campus? Use the Age of a Tree Lesson Plan and Activity Sheet to find out!	Leaf Spotter Sheet Tree Worksheet Age of a Tree Lesson Plan Age and Height of a Tree

Good luck exploring!
