

Green-Schools Biodiversity Week 2022

Welcome to Day 3 of Biodiversity Week

[@GreenSchoolsIre](#) [@WildlifeRI](#) [@BirdWatchIE](#)

[#BioWeek2022](#)

Today our Junior theme is: “Seeds”

And our Senior theme is: “Wildlife Conservation”

The resources below will help explore more about today’s themes:

Audience	Activity	Files
Junior Primary	Learn About Seeds Use this Lesson Plan to learn more about familiar seeds, how seeds are made, and how we can plant our own seeds.	All About Seeds Lesson Plan
Senior Primary	Explore the Biodiversity on Campus Use these Activity Packs to learn more about what living things can be found on your school campus.	Animal Activity Pack - Primary Plant Activity Pack - Primary
Secondary School	Explore the Biodiversity on Campus Use these Activity Packs to learn more about what living things can be found on your school campus.	Animal Activity Pack - Primary Plant Activity Pack - Primary

Good luck exploring!
