

# Create Worksheet

## Senior Primary

Class \_\_\_\_\_

Group \_\_\_\_\_

Work in groups to discuss findings and come up with a plan

### Main Findings (summary)

### What will we do with this information?

### What were the average scores for each category?

(Hint – add up scores for each category separately and divide by the number of students who participated)

	1	2	3	4	5	
Safe Crossing						No Safe Crossing
Good Driver behaviour						Bad Driver behaviour
No Litter						Litter
Natural						Lots of Cars

### Notes
