Activity Sheet

Instructions:

For the final day of the Global Goal Advent Calendar learn about holiday traditions around the world! Although we come from different places and celebrate differently, we can all learn from each other and work to make this world a better place for all.

Activity:

- Watch [the video](#) to learn about 12 different holiday traditions around the world.

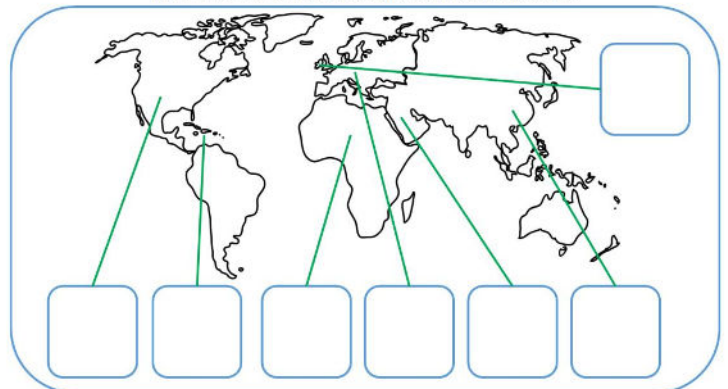

- Have students complete the activity sheet that asks them to choose 6 traditions from the video and draw them, as well as share a tradition they have for the holidays. Encourage students to share these traditions.
