Global Goals 16: Peace, Justice, and Strong Institutions

Instructions:

First decide if you would rather colour and cut out the pieces or cut out and trace on coloured paper before assembling your dove.

Step 1: Attach piece 1 together facing the same direction

Step 2: Attach piece 2 on top of piece 1 (make sure the tails match up!)

Step 3: Slide piece 3 in the cut of piece 1 & 2

Step 4: Slide cut in wings over the facing out pieces on piece 3

Make a hole on the top of your dove so you can attach paperclip and hang on your tree at home!
