

Cycling Awareness Survey

Green-Schools Travel

School: _____

Date: _____

No. Students _____

This 'hands-up' survey aims to assess cycling awareness in your school as part of your work on the travel theme. Enter the number of students that replied 'yes' to the following questions'. Repeat this survey in year 2 to determine if anything has changed.

Question	Enter class/year you are surveying						Total
Own or have use of a bicycle							
Cycle their bicycle at home							
Own a helmet							
Wear a helmet							
Have lights on their bicycles							
Wear a hi-viz vest when cycling?							

Which areas need work?

What actions could we take to improve?
