

Travel Awareness Survey

Top Tip!
Why not create graphs and charts to show off your progress to the wider school community!

Date:

Class:

School size:

	Year 1	Year 2
How many students and staff have heard of the term sustainable travel?		
How many students and staff can list 3 types of sustainable travel?		
How many students and staff can list 3 reasons why sustainable travel is a better option than the private car?		
How many students and staff can list 3 ways in which cars affect our health and environment?		
How many students and staff can list 3 initiatives that your school can do to promote sustainable travel?
