Using Our Senses Activity Sheet

Whether we are at home or visiting a new place it is important to use all our senses to learn about our environment. Think about how CJ used all his senses and fill out the chart below.

The activity sheet features a central blue circle containing a cartoon illustration of a young boy with dark skin and hair, wearing a yellow jacket with colorful striped sleeves and blue pants, with his arms raised in excitement. Above his head are the letters 'CJ'. Surrounding this central circle are five larger green circles, each representing a sense. At the top is a circle with an eye icon and the word 'sight'. To the left is a circle with a nose icon and the word 'smell'. To the right is a circle with a hand icon and the word 'touch'. At the bottom left is a circle with a tongue icon and the word 'taste'. At the bottom right is a circle with an ear icon and the word 'hear'.
