<http://www.youtube.com/watch?v=Y9DMMYabfps>

- 3) Walt Disney in the Bag 1956

<http://www.youtube.com/watch?v=4ol28kPTqa4>

- 4) Recycle Rex sings about the 3r's on: <http://www.youtube.com/watch?v=DAvCsLPCGVE&NR=1>

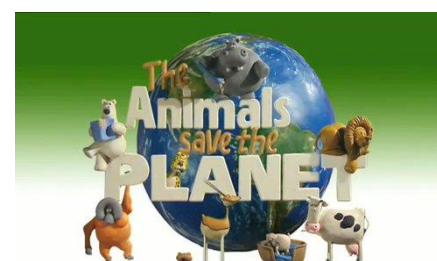

- 5) The 3 Rs

<http://www.youtube.com/watch?v=SKvGgb3YcDQ>

- 6) Leopards and Litter

<http://animal.discovery.com/tv-shows/other/videos/creature-comforts-leopards-and-litter.htm>

You can also find lions and recycling, meerkats and emissions, octopus and biodegradability, hippos and water conservation and some more on the above website. This series of short environmental videos is called animals save the planet by Creature Comforts.

- 7) Twiggy the Environmental Super Hero Cartoon

<http://vimeo.com/807821>

- 8) Teacher tube has some very good videos about litter and waste. There is a song and dance that could be adapted and used to get the younger kids interested in litter and waste related activities and to help them remember important information like the 3Rs (Reduce, reuse, recycle):

http://teachertube.com/viewVideo.php?title=3_Rs_Dance_Reduce_Reuse_Recycle_Part_1_going_gr&video_id=167169

- 9) A short compost song can be found on: <http://www.youtube.com/watch?v=HqENYneAdj0>

- 10) A reduce, reuse and recycle song and video can be found on:

<http://www.youtube.com/watch?NR=1&v=G1yBQv1hLRY>

- 11) A short cartoon of Mr. Bean picking up litter can be found on: <http://www.youtube.com/watch?v=uk99-sYSz38>

- 12) Kids Recycling video and some wiggly worm videos are some of the short videos that you can find on:
