School Type:

- Primary School
- Secondary School
- Special Primary School
- Special Secondary School
- Other (please state:)

No. of students attending the school:

School telephone:

School email:

Which mode of modes of travel did your school concentrate on for this year's Big Travel Challenge? You may select more than one.

- Walking / Wheeling
- Cycling
- Scooting
- Park'n'Stride
- Public Transport
- Carpooling
- Other: _____

Why did you choose this/these mode(s)? (300 words max)

CATEGORY- ie, carpooling, scooting, etc:			
How many students used this mode on an average day, BEFORE the challenge started? *			
In terms of students travelling to school by carpooling, how many students did you track on Day 1 of the Challenge?			
In terms of students travelling to school by carpooling, how many students did you track on Day 5 of the Challenge?			
In terms of students travelling to school by carpooling, how many students did you track on the final day (Day 10) of the Challenge?			

*This is very important so that we have a way of assessing the rate of change before and during the challenge.

Your Big Travel Challenge Tracker

Alongside promoting the modes above did your school host any other events or make any other daily or weekly changes to promote active and sustainable travel in your school and community? See our [BTC Tracker](#) for inspiration!

Tell us about how you engaged your whole school in the Big Travel Challenge. You can send a copy of your completed BTC Tracker to us at travel@greenschoolsireland.org

How often would your school usually hold active travel days? (Walk on Wednesday, Cycle on Wednesday, Scoot on Wednesday)

- Every week
- Every month
- Every term
- Every year
- Sometimes
- Other: _____

Does your school participate in any of the following initiatives?

- National Walk to School Week
- National Bike Week
- National Scoot to School Week
- Clean Air Week

In 200 words or less have your final say on why your school deserves to be your county's Travel School of the Year or indeed, the regional and national winner of the challenge!

Consent:

We, the Green-Schools Coordinator, and the school Principal, understand that entry into the competition constitutes full and unconditional acceptance of the [Terms and Conditions](#), available on our BTC 2024 webpage.
