

Green Schools Awards

Road Trip Bio-Bingo!

Try to find as much “Biodiversity” (different types of living things, and their habitats) as you can along your journey to the Green Schools Awards ceremony.

- Keep an eye out the window as you travel to the awards.
- Take note of what you find and see how many different living things you discover.
- Check out our bio-bingo sheet below and see if you can spot all the different types of living things along the way.

Duck

A pet

Rook (Crow)

Pine Tree

Sycamore Tree

Wild-flower area

A river or a stream

A bee

A woodland area

A farm animal (Cow)

The Sea (or a lake)

A Hedgerow
