

Environmental Inventors

Green-Schools Travel

Can you invent a mode of transport that is environmentally friendly?
Think of how you would power it without fossil fuels? Your invention can be sensible or fun – whatever you like! The only rule is that it cannot be powered by fossil fuels.

For example, I invented a mermaid powered jet-ski.....wonderful isn't it!

Activity

Draw a picture of your invention and label it to explain what it is made from and how it will work.

My invention is _____

My invention will help the environment because.....

Aireagóirí Comhshaoil

Scoileanna-Glasa | Taisteal

An féidir leat modh iompair nua a chumadh a bheadh tairbheach don chomhshaoil? Cad a thabharfadh cumhacht dó in ionad breoslaí iontaise? Féadfaidh do chruthú a bheith praiticiúil nó spraíúil – pé rud is mian leat! Is é an t-aon riail nach féidir é a thiomáint le breoslaí iontaise.

Mar shampla, cheap mé jet-ski faoi thiomáint maighdeana mara... is iontach nach bhfuil!

Gníomhaíocht

Tarraing pictiúr de d'aireagán agus cuir lipéid air chun a mhíniú cad as a bhfuil sé déanta agus conas a oibríonn sé.

Is é m'aireagán ná _____

Cabhróidh m'aireagán leis an gcomhshaoil mar gheall ar....
