

GLOBAL CONNECTIONS SURVEY

This activity will show you how you are connected to many different people and countries across the globe.

In his last Christmas Day sermon in 1967 Martin Luther King said:

“Before you finished eating your breakfast in the morning you have depended on half the world”

Try and answer the questions below and find out your own global connections.

As an extra challenge you may try and find the countries you have identified on the map and colour them in!

Have fun!
