**Day 1**      The Global Goals

**Day 2**      Goal 2: Clean Water and Sanitation

**Day 3**      Goal 15: Life on Land

**Day 4**      Goal 1: Poverty

**Day 5**      Goal 17: Partnerships for the Goals

# Global Goal 17: Partnerships for the Goals

**Strengthen the means of implementation and revitalize the global partnership for sustainable development.**

The Global Goals can only be met if we work together. International investments and support is needed to ensure innovative technological development, fair trade and market access, especially for developing countries. To build a better world, we need to be supportive, empathetic, inventive, passionate, and above all, cooperative.

Birgit told us that Partnerships for the Goals is about a;

# Activity Sheet

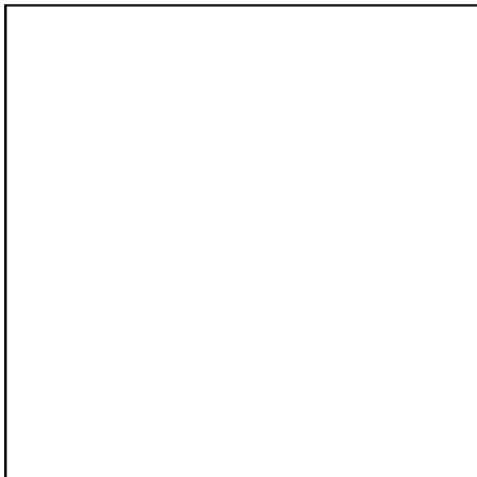

We hope that you enjoyed meeting students from across the world! Here is an opportunity to record what you have learned throughout the week.

**What was the most surprising thing you learned during Global Goals Week?**

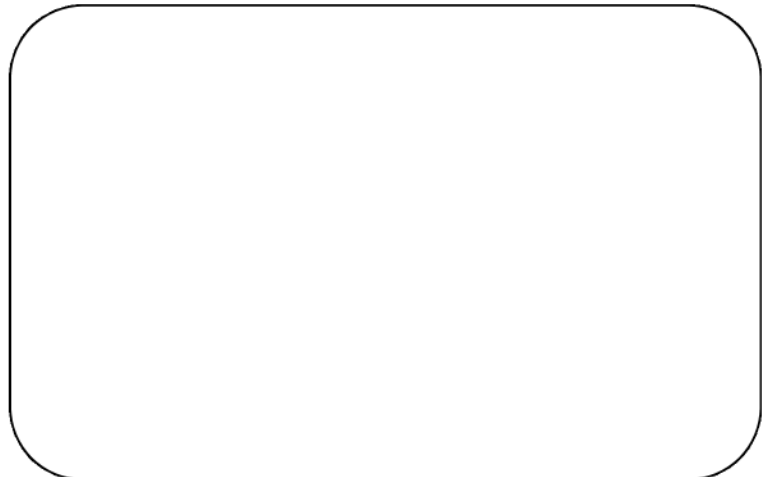

**Draw a picture of your favourite Global Goal and write a short poem explaining why it matters to you.**

My favourite Goal is:

This is why it matters to me:

**Write down three ways you can help make your community more sustainable.**

# Activity Sheet

**What message would you send to world leaders to inspire positive change?  
Design a poster or write a letter.**

Dear....

Yours sincerely,

# And that's a wrap!

Thank you so much for all of your amazing work this week! We hope that you have learned a lot and we feel so lucky that we live in a world where there are young people working so hard to make our world a better place!

Finally, write down one idea that you had during Global Goals Week that you will do to help achieve the Global Goals.
