

BIODIVERSITY WEEK JUNIOR ACTIVITIES

An Roinn Tithíochta,
Rialtais Áitiúil agus Oidhreachta
Department of Housing,
Local Government and Heritage

Make a Plant Pot!

Recycle your toilet paper rolls to make a simple plant pot.
Follow along with this [short video](#) to learn how!

You will need:

- An empty toilet paper roll
- A pencil or marker
- A scissors
- Some soil (peat free)
- Something to plant- why not pick something pollinator friendly like lavender or borage. Get more ideas [here](#)!
- As your seed grows bigger, you can plant the whole pot in the garden or a bigger pot!

Go on a bug hunt!

Head outside and see what kinds of creepy crawlies you can find!

- Get some ideas of where to look for bugs and how to collect them safely for a look in this short [video](#).
- You can try and work out what kind of creatures you have found using our spotter sheets in English or As Gailege

Cuardach Focal

Breathnaigh ar na [Cuardach Focail](#) faoin gcomhshaol atá againn! Tá rogha ann a díríonn ar éanaigh, feithidí, plandaí agus níos mó. Tá neart focail nua bithéagsúlachta chun a fhoghalim!

Bark Rubbing

Feeling creative? Why not try some outdoor art!

Bark rubbing is a great way to spend time outside, explore with our senses and create some lovely pieces of art.

Check out our [resource sheet](#) for some ideas on how to collect some bark rubbings.

DRAW ALONG VIDEO

Follow along with Rob and learn how to draw a simple picture of a Robin! All you need is paper, a pencil, some colours and a rubber.

You can find our "Draw Along Videos" back on the BioWeek event page.

TARRAING TAOBH LINN.

Tarraing taobh linn. Leanfaigí ár stiúr agus foghlaim chonas phictiúr deasa do spideog a tharraingt!

You can find our "Draw Along Videos" back on the BioWeek event page.

Share your actions and photos with us on Facebook, Instagram and Twitter by tagging @GreenSchoolsIre using #BiodiversityWeek.
