

Regional Water Ambassadors

Coláiste an Spioraid Naoimh

County Cork

Jacob, Mark, Cillian, Séan and Pearse are the Water Ambassadors for Coláiste an Spioraid Naoimh and have been actively involved in raising awareness about water conservation and environmental responsibility.

As part of their "Walks for Water" initiative, they led First Year Physical Education classes on a 6km walk along the Lee Fields, highlighting the impact of littering and pollution on local water sources. During the walk, students collected rubbish using litter pickers and sorted waste for recycling, reinforcing the importance of protecting our waterways.

They also carried out peer tutoring sessions, where they delivered presentations to junior students on the importance of water and practical tips for reducing water usage. Looking ahead, the ambassadors plan to organise beach clean-ups to continue raising awareness about marine litter and its environmental consequences.
