

# PRIMARY WATER SCHOOL OF THE YEAR

## Murrintown National School

*County Wexford*

Students visited the local water treatment plant in Mayglass for a hands-on learning experience. For their Action Day, the school hosted a coffee morning, raising funds for a water charity in Africa. Each class created sea-themed art from various materials, with colourful displays filling the school. Seniors led a clean-up of the school grounds, while junior classes embraced a “No Energy” afternoon, taking their lessons outdoors to reduce energy use.

Here is their beautiful Green Code:

“Energy for the rest of the day.  
I pledge to do my best each day,  
To help the planet in every way.  
I’ll recycle plastic, I’ll close the doors,  
I’ll pick up rubbish off the floors.  
I’ll turn off lights, I’ll unplug the tele,  
I’ll empty the bins when they get smelly.  
I’ll do my best, I’ll turn down the heat,  
I’ll turn off the tap when I brush my teeth  
At school and home, I’ll play my part  
Protecting the Earth with all my heart!”
