

THE FANTASTIC NORTHAMPTON N.S.,  
GALWAY, CELEBRATED THEIR SECOND  
PLACE WIN WITH TWO DAYS OF  
WORKSHOPS FROM LEAF IRELAND!

STUDENTS LEARNED ABOUT THE BRILLIANT BENEFITS  
OF TREES AND HAD ENGAGING CONVERSATIONS  
ABOUT SUSTAINABLE FORESTRY AND BIODIVERSITY.

THEY EXPLORED THEIR SCHOOL GROUNDS,  
AND DISCOVERED THE AGE AND HEIGHT OF  
SOME OF THEIR LOVELY LOCAL TREES!

THEY ALSO DID AN ACTIVITY ON THE WEB OF LIFE,  
LEARNING ABOUT THE RELATIONSHIP BETWEEN  
HUMANS AND THE ENVIRONMENT!

THEY WERE ALL DELIGHTED TO HEAR HOW THEY ARE DEFINITELY  
HAVING A POSITIVE IMPACT ON THE ENVIRONMENT WITH  
ALL THE HARD WORK THEY HAVE DONE AS A GREEN-SCHOOL  
AND PRIMARY CLIMATE AMBASSADORS!
