

# Daily Swaps Challenge

9th–13th March • Register by 26th February

## What will I do?

Work as a team to organise, promote, and run a week-long campaign at your school to get as many people as possible to make daily swaps that help conserve water and save energy.

## Why participate?

- Compete against other schools
- Win €200 cash prizes, with a party for your team
- Raise awareness about water and energy conservation
- Build leadership skills

## Challenge Timeline

**Register by 12:00 PM on Thursday, 26th February:**

After registering, you'll receive a Digital Toolkit to help you get started!
