WEXFORD/CARLOW TRAVEL OFFICER ROLE**

Closing date for receipt of applications is 5pm on Thursday 19th of February

PURPOSE:

An Taisce is the national operator of several leading environmental education and management programmes, including Green-Schools, Blue Flag, National Spring Clean, Clean Coasts, and Climate Ambassador. The Green-Schools Travel programme focuses on the Travel theme within the broader Green-Schools framework and operates nationally to encourage sustainable, active travel in school communities.

Funded by the Department of Transport (DOT) and supported by the National Transport Authority (NTA), the programme has run across Ireland since 2008 and in the Greater Dublin Area since 2005. Travel Officers working on the Travel theme are based in approximately 25 strategic locations across the country, supporting schools as they encourage students and parents to choose walking, wheeling, cycling, scooting, public transport, park 'n' stride, or carpooling instead of relying on the private car for the school run.

Green-Schools Travel facilitates behaviour change and a shift toward sustainable modes by offering a wide range of in-person educational, awareness-raising, and skills-based workshops. The programme also provides students with meaningful experiences, opportunities for participation, recognition, and representation. In addition, Travel Officers guide and support schools in collaborating with local stakeholders, empowering students and school communities to become active citizens and advocate for sustainable and active travel solutions.

An Taisce is now recruiting **for a Travel Officer for the following area(s):**
