

MARINE WEEK MONDAYS RIDDLE

You might think you see me in the night's sky but I live in the sea.

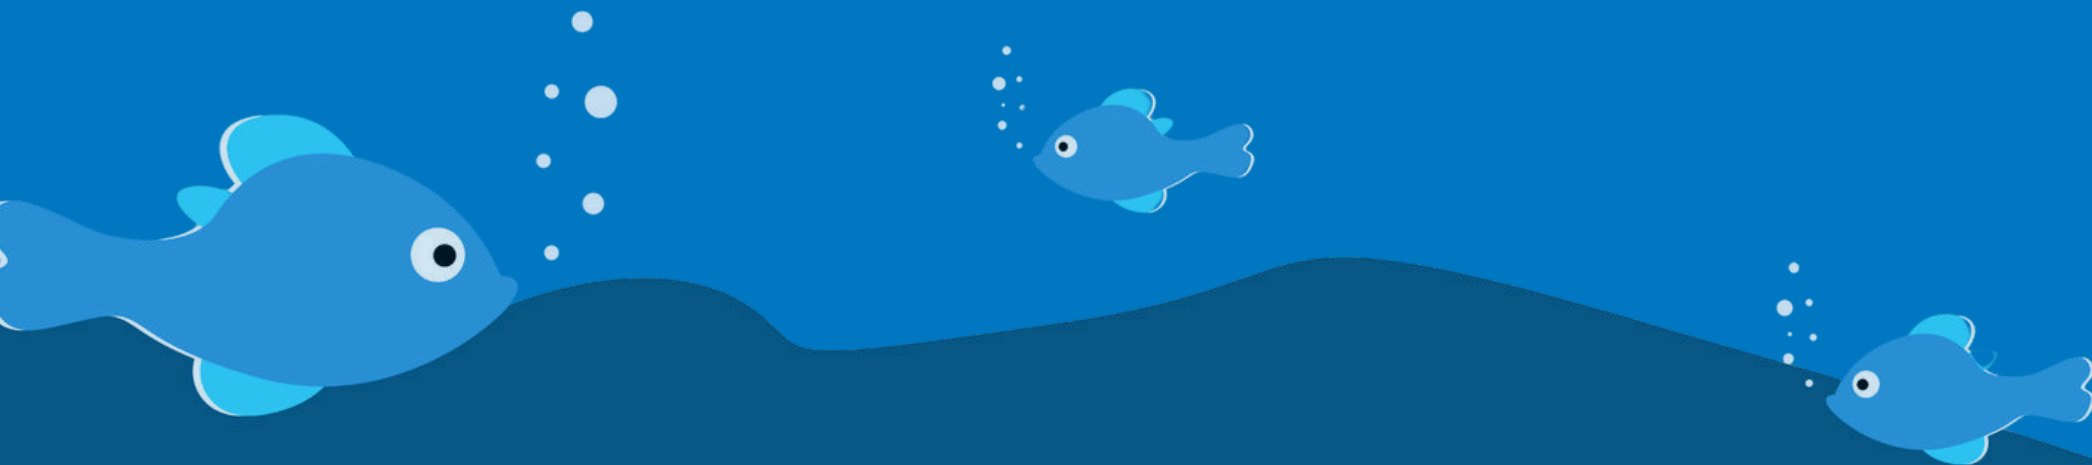

I am unusual, no one has quite as many arms as me.

I may seem weak, but that isn't so.

Cut part of me off and I just regrow.

What am I?

WEDNESDAYS RIDDLE

*I have lots of tentacles (long stringy things),
They capture my food by giving off stings.
I can be full of colour or transparent and clear,
I give summer time swimmers something to fear.
What am I?*
