

GREEN-SCHOOLS WATER

Is your school ready to apply for the water flag?

The answer is **yes** if:

- ✓ You are in at least your second school year of working on the Water theme.
- ✓ Your school continues to maintain its work on Litter & Waste (and Energy if applicable)
- ✓ You're on track to complete the Seven Steps of the Green-Schools programme for Water by the end of the school year.
- ✓ You have carried out all Essential Actions of your Environmental Review (Step 2):
 1. Calculated Water Usage figures for Year 1 and Year 2.
 2. Completed leak tests.
 3. Carried out a water audit.
- ✓ You plan to organise a renewal visit before submitting your application.

To check your progress, use our [Seven Steps checklist](#).
For more details and ideas, refer to the [Water Handbook](#).
